

# TEGA PROMOTING THE RIGHT TO EDUCATION FOR TEENS IN THE REPUBLIC OF CAMEROON

## Overview

Teen Educacare Global Association (TEGA) is committed to empowering youths through practical learning and vocational training. Our vision is to mobilize communities and stakeholders to protect the right to education in vulnerable communities and for vulnerable persons. Recently, we had the honor of awarding scholarships to outstanding students from Holy Trinity International College in recognition of their excellent academic achievements.

### TEGA Scholarship Objectives

#### Promote Academic Excellence:

**Objective:** Motivate and reward students who demonstrate outstanding academic performance.

**Strategy:** Award scholarships to students achieving high average scores, particularly those with averages of 17 and above.

#### Encourage Perseverance and Commitment:

**Objective:** Inspire students to maintain high standards of perseverance and dedication in their educational pursuits.

**Strategy:** Recognize and celebrate the hard work and dedication of scholarship recipients as role models for their peers.

#### Foster Community and Stakeholder Engagement:

**Objective:** Mobilize community members and stakeholders to support educational initiatives and the right to education.

**Strategy:** Involve community stakeholders in the scholarship award process and other educational activities to build a supportive network for students.

#### Expand Educational Opportunities:

**Objective:** Create more avenues for academic and vocational growth through scholarships and TEGA's initiatives.

**Strategy:** Commit to increasing the number of scholarships and educational programs available annually to reach more students.

### Promote Long-term Empowerment:

**Objective:** Equip students with the skills and knowledge needed to thrive in a dynamic world.

**Strategy:** Combine academic recognition with vocational training to prepare students for future challenges and opportunities.

### Build a Sustainable Future for Youths

**Objective:** Ensure the sustainability of education and empowerment initiatives to continue impacting future generations.

**Strategy:** Leverage partnerships and collaborations with stakeholders to maintain and expand TEGA's outreach and programs.

## Scholarship Awards Ceremony

The scholarship award ceremony took place at Holy Trinity International College on the 25th of May 2024, attended by parents, students, faculty members, community stakeholders, and TEGA representatives. The scholarships, each valued at 100,000 FCFA, were awarded to students who demonstrated exceptional academic performance, specifically those who achieved an average score of 18 or above (honor roll distinction) and those who had an average score of 17.

### Keynote Addresses

The ceremony was graced by keynote addresses from the esteemed Founder of TEGA and our Program and Communication Director. Both speakers resonated with the audience, emphasizing the importance of education and the organization's dedication to supporting academic excellence and vocational training.

## Founder's Address

The Founder of TEGA highlighted the critical role of education in empowering youths and transforming communities. They reiterated TEGA's commitment to fostering practical learning and vocational training to equip young people with the skills

needed to thrive in today's dynamic world. The founder also expressed heartfelt congratulations to the scholarship recipients and encouraged all students to continue striving for excellence.

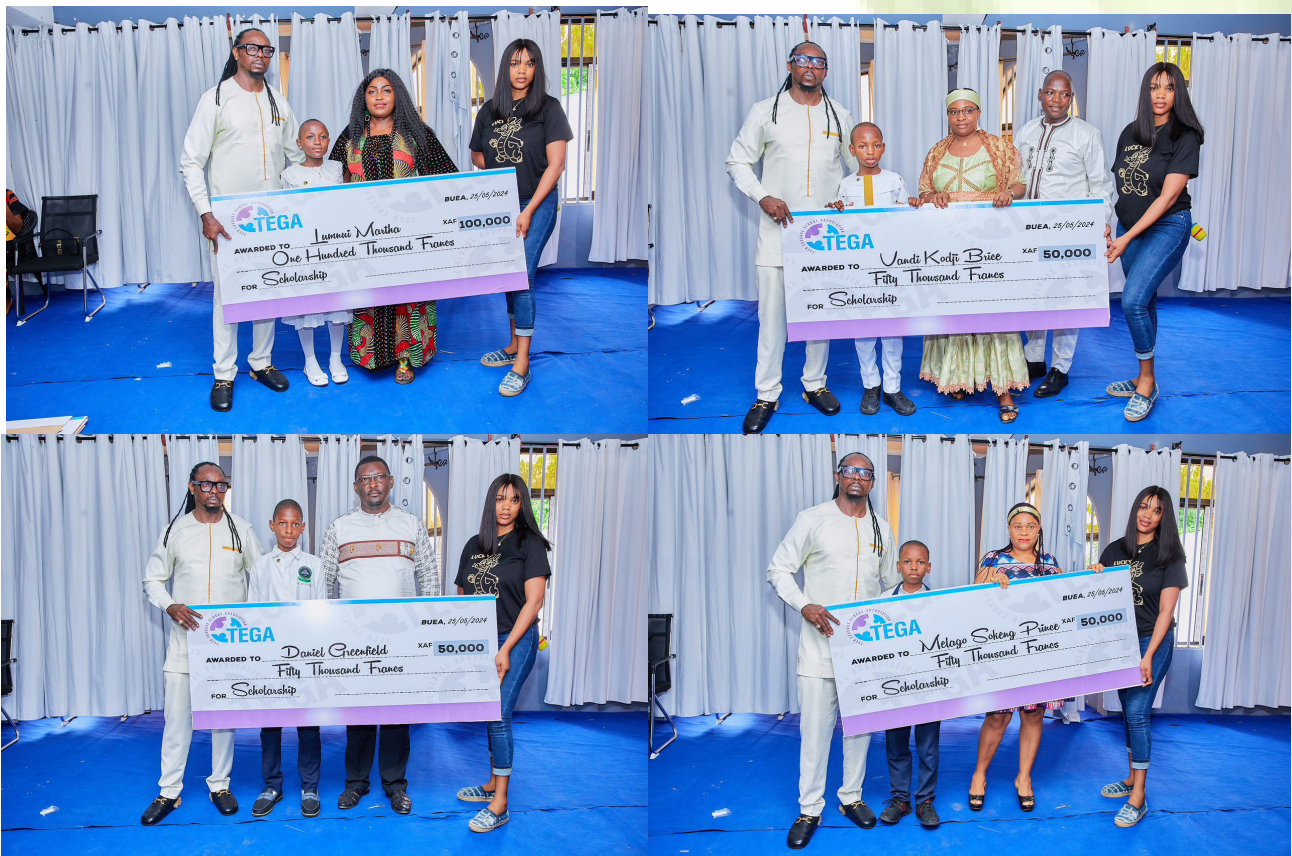

## Program and Communication Director's Address

Our Program and Communication Director echoed the founder's sentiments and provided insights into TEGA's ongoing initiatives aimed at protecting the right to education for vulnerable communities and individuals. They underscored TEGA's dedication to creating opportunities for youth empowerment and urged the community to support these endeavors.

## Scholarship Recipients

The scholarship recipients from Holy Trinity International College were celebrated for their hard work, dedication, and academic prowess. These students not only met but exceeded the rigorous academic standards set by TEGA for scholarship eligibility. By achieving high average scores, they have set a commendable example for their peers and have shown that excellence is attainable through perseverance and commitment.

## Conclusion

TEGA continues to be a beacon of hope and a catalyst for change in the lives of young people and vulnerable communities. Through scholarships and other educational initiatives, we are steadfast in our mission to empower youths and ensure that the right to education is upheld for all.

We extend our deepest gratitude to all students, parents, faculty members, and community stakeholders who participated in the scholarship award ceremony. Your support and collaboration are instrumental in driving TEGA's mission forward.

## Future Commitments

TEGA remains committed to expanding our reach and impact. We look forward to awarding more scholarships, launching new vocational training programs, and strengthening our partnerships with communities and stakeholders. Together, we can achieve our shared vision of a brighter, more empowered future for youths everywhere.
